

THE GOOD LITERARY AGENCY

Please note: This is not the submission form for you to submit your Adult Non Fiction Proposal to our team. Rather this is an example template of our form to help you prepare for your submission by allowing you to first read through the questions we ask, compiling the information and elements you will need beforehand. To submit your work to TGLA, please click the pink button labelled 'Submission Form' back on the Adult Non Fiction submission page. We look forward to reading your work!

Your Non-Fiction Submission

We ask that all authors only submit one work or project to us at a time. Please wait for a response before submitting again.

Please do not use this form to submit your full manuscript as we only have capacity to read and consider the first three chapters at this stage in the submissions process. If, after reading your first three chapters, we would like to see more of your submission, we will reach out directly via email to request your full manuscript.

What is your book's title?*

What subject (ie History, Cookery, Current affairs, Humour) etc do you think your book is?

What is your estimated word count for this work? (If you have already completed a full draft, please provide the word count of it)*

Have you submitted to TGLA before? *

No

*If you do receive interest elsewhere after submitting, please do get in touch to let us know. You can find more information on how to do this in the FAQ on our website

If yes, please provide any details you feel comfortable sharing below (This is to help ensure that we do not miss any updates that could be time-sensitive)

Comparative titles: what authors / books do you think people reading your book will also have loved.*

Your Proposal

Unlike Fiction submissions, you do not have to have a completed Non Fiction manuscript in order to submit. However, you must have a full proposal, as this is the most important part of your Non Fiction submission.

Please look through our Proposal Guidelines on the Non Fiction Submissions page before submitting.

Your proposal should aim to be around 10,000 words and should include:

- Elevator Pitch
- Long Synopsis
- Author Biography
- Outline
- Market

If your proposal does not include this core information, or is not close to the above target length, we would highly recommend going back and looking again at our Proposal Guidelines in order to put together a full proposal.

Please upload your proposal (saved as 'Proposal, Title, Name') as a Word Document (.doc or .docx) or PDF*

Please upload a 30-page sample (saved as 'Sample, Title, Name') as a Word Document (.doc or .docx) or PDF*
